In 2018, 34 Starkville High School students scored 30 and above on the ACT!

## THE MSU-SOCSD PARTNERSHIP SCHOOL is Reimagining Middle School for 21st Century Students & Educators

The **MSU-SOCSD Partnership School** promises to impact the future of education in our state and in our community, investing in the educational experience of our middle school students to create one of most innovative schools from programs to facilities...

- Where innovative practices and **collaborative learning spaces** ignite the spark of excellence for students in the middle grades
- Where state of the art facilities and world-class resources create a district-wide **hub of STEM learning** for robotics, environmental sciences, mathematics, literacy, & the arts
- Where teachers collaborate to research, develop and dynamically implement **best practices in classroom instruction**
